Personality, physical structure, status

The first house of the horoscope represents the personality characteristics, physical structure, status and fame of the person.

Arun, based on the position of Lagna the following characteristics may be predicted about your personality. You will be: Independent; courageous; sensitive to the feelings of others; distrustful of relatives; quick tempered; proud; interested in legality and logic; scientifically inclined; enterprising; ambitious; adventurous; a good planner; keenly observant; stubborn; not receptive to criticism; frank and open; strong willed; practical; tactless. You are interested in: Beauty; grace; sex; good food; the excitement of argument. Physically you have: A medium build; sharp eye-sight; a long face and neck; a mark or scar on the head or temples; round eyes; weak legs and joints.

Arun, since your Lagna lies in the second Drekkana of its house, you are keenly interested in amassing wealth, but you are naturally cautious. You like to have people believe that you are richer than you really are. Financially, the important years in your life are 20, 24, 29, 36, 47, 56 and 61.

Since the ascendant lord is in the 4th house, you are from a good family and decent home. You are ambitious and good-looking. You will achieve and maintain prosperity by hard work. Your aims and objectives are clear. Others will enjoy your company. You will do well on account of your parents, and both your parents will be responsible for your happiness. You are well-built, attractive, and well-behaved.

Aspect of Mercury on the first house augurs well for matters related to education.

Wealth, land and properties

Land and properties, wealth, family, speech, food and skills are some of the important topics highlighted by the second house in a horoscope.

Arun, as the 2nd lord is in the 10th house you will be scrupulous and educated. You will have a variety of interests. You have an earthy physicality. You enjoy sex and believe in the joy of physical love. You may have difficulty or delay in having children. You will participate in a variety of activities. You will financially benefit from a career in business, agriculture or philosophy.

Since Ketu is positioned in 2nd house, your speech will be unique in some way. You may wish you were better educated. You will enjoy spicy food.

Since Mars aspects the second lord, you can make a name in fields connected with law and justice.

It is seen that Jupiter aspects the second lord. You can find happiness in reading and comprehending ancient history and epics and sharing your wealth of knowledge with others.

Siblings

Third house in the horoscope mainly refers to siblings, courage and cleverness .

Arun, since the 3rd lord is in the 7th, you are better suited for professional employment where the income will be regular and steady, rather than business. You will prove to be a good worker and you will enjoy the regard of your bosses. You may occasionally overestimate your ability to perform a service or repay a debt. Therefore, you may have

to default on loans or promises when they come due. However, you will save yourself by being careful in most dealings. Travelling is not good for you. You can expect help from one of the brothers who may settle abroad.

Since third lord is aspected by Lagna lord, you will take efforts to maintain cordial relationship with your brothers and sisters.

Property, Education etc.

The fourth house of your horoscope refers to property, education, mother, vehicles, and general happiness.

Arun, in your horoscope, the 4th lord is occupying the twelfth. You may tend to forgo happiness and other worldly possessions in search of spiritual goals. Your mother may especially require your constant attention and love. You may not have much business sense. You may face a number of problems in life, but do not let yourself become desensitized to other people's suffering.

As the Moon is the lord of the 4th house, you will have a changeable mind and you will need the support and guidance of a strong boss, partner or wife. You will do well in education and also in your career. You will be lucky if you marry a woman who understands you well.

Since Mars is occupying the fourth, you are likely to do well in politics. You should not expect too much from your mother, relatives, or friends. You are likely to argue with your mother.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the fourth lord and this reduces any bad effects predicted otherwise.

Children, mind, intelligence.

The fifth house of the horoscope mainly gives indications regarding children, mind and intelligence.

Arun, since the 5th lord is in the 8th, you may have children late in life, or not at all. You may be troubled by chest ailments. On the domestic front, occasional flare-ups occur when you spend too much time with either your parents or your children. When it comes to arguments, you start the altercation and then leave your spouse to fix the situation you created. You have to quit being dictatorial if you want your children to listen to you. You may not be able to hold on to inherited property.

Positioning of benefic planets in the fifth house from Lagna, Moon or Jupiter or benefic planets aspecting these houses is considered to favour well for having children. Such positive indications are seen in this horoscope.

Diseases, enemies, obstacles

The sixth house gives indications regarding diseases, enemies, obstacles and other generally negative topics.

Jupiter occupies the 6th house. You will find unique methods of ruining your competition. You complain about not having enough in life.

Arun, since the 6th lord is in the 7th, in reality your marital life will be very different from what you expected. You will marry from within your circle of friends, or someone related to the family. Your maternal uncle will probably live far from home. Your spouse must be allowed to express all displeasure freely in order to eventually learn that impulsive rash behaviour usually brings only regret. If your friends are aimless or unfocused, you will finally draw away from them. You believe in a clear purpose to all human interactions. You are not a dreamer.

Ninth lord is in the sixth house. You may develop a tendency to worry about theft and robbers.

Marriage etc.

The various aspects of your married life are influenced by the 7th. house.

Arun, your 7th lord is in the 10th. You may have to work far from home or travel frequently on business. This involves separations from your family. It may create uneasiness at home; and you have to appreciate her views and concerns. You will also have to convince her that she is most important in your heart. Be flexible in minor matters concerning your in-laws. If you are unreasonable you will ruin your relationship and thereby forgo any assistance you may get from them, especially your father-in-law. Your wife will be interested in travel.

Arun, a person from the south could make an ideal partner for you.

Mercury is in your 7th house. You will be a man of extraordinary abilities and skills. Women of all ages will develop an affection for you. You are gentle, polite, and strong-minded. At the same time, you have a charming sense of humor. You are self-disciplined and well-organized. Your interest in law and legal matters will be appreciated. You will be good at business or in trade. You are able to twist arguments to suit you and to convince others.

Since Jupiter influences the Moon, your married life will be smooth and happy.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on the seventh lord and this reduces any bad effects predicted otherwise.

Longevity, difficulties

The eighth house gives indications regarding longevity, medical treatment and other difficulties.

Arun, since the 8th lord is in the 4th, you may be separated, or be away from mother from early childhood. The place you grow up in may not be your home. You have abundant love, affection and self-control. But you let these emotions out only on those who really come close to you. You have always difficulty in deciding the true nature of people you meet. Therefore, your mental stability will suffer. Domestic quarrels accompany financial and other problems. Your parents health may become a cause for concern after a while. You will effectively solve the problems connected with house and transportation. During one of the worst periods in life, reverses in profession or displeasure of manipulative bosses may have to be faced with self-confidence and faith in God.

Your 8th house is occupied by the Sun. It is difficult for you to please all types of bosses. You may have a turbulent life. There will be something distinctive about your eyes.

Your 8th house is occupied by Rahu. You will probably travel a lot in a life. Choose your food carefully when you travel, so as to avoid food poisoning. You should also insist on cleanliness when you travel. Seek medical advice as you may be prone to skin problems or rheumatism.

Fortune, Prosperity, Inheritance etc.

Arun, in your horoscope, the lord of the 9th is occupying the 6th. This is not a beneficial position. As a child, you may be alienated from other children your age. You may have a limited number of friends even as an adult. The health of your father may be unsteady. Chronic ailments are a possibility.

It is seen that the lord of 9th is weak, and this reduces the good effects.

It is seen that the 9th house is hemmed in between malefic planets; therefore, the good effects given by other planetary combinations or positions may not be fully experienced.

Profession

Verse from Phaladeepika says that the tenth house indicates Vyapara (commerce), Aspada (rank or position), Karma (acts, occupation, profession), Jaya (success), Kirti (fame), Kratu (sacrifice), Jeevana (livelihood, profession), Vyoma (sky), Achara (conduct), Guna (good qualities), Pravritti (inclination), Gamana (going), Ajna (command)

Arun, according to Sarvartha Chintamani, from the tenth house, the astrologer should judge occupation, command, authority, fame, rain, life in foreign lands, performance of sacrifice, esteem, respect, means of livelihood, profession,

the knees and the servants. An analysis of the tenth house, lord of tenth house, planets in tenth house, position of Sun and Moon are analysed below to get an insight into the professions astrologically indicated for you.

In your horoscope, the lord of the tenth house is placed in the tenth house itself. Verse from Brihat Parasara Hora indicates that you develop expertise in whatever you do. You face problems with courage and remain cheerful even in adverse situations. You believe in speaking the truth. You are always concerned with the well being of your elders.

The tenth house is Capricorn. This sign gives authority and power. It helps you think deeply and also practical and self reliant. You can successfully manage large projects. This sign also denotes political agents and ministers of state. The ruler of Capricorn is Saturn and this indicates smithy, manual jobs, service sector, security jobs, mining, plumbing and other trades, jobs in jails and enforcement agencies. Your career may have some connection with the color blue.

In your horoscope, Venus is seen in the tenth house. Since Venus is placed in the tenth house, you will be very fortunate. Honours pour in. You will have clean habits. You will be very particular about bathing, worship and meditation. You will be affectionate towards your spouse and children. Venus is the planet that rules all artistic accomplishments. You will be keenly interested in cultural and social organisations. You may serve as an honorary secretary of a cultural or art club. Your livelihood also may be related to similar activities. You will be good at commercial exploitation of art and culture and may work in the tourism department or do business in curios and antiques. With any luck you may even export such items. Venus being a female planet, denotes that you will be closely associated with women in power. Venus rules precious stones, jewelry and vehicles. You can be successful in these lines. Venus is connected with law and the judiciary also. You can build a successful career as a sales tax or income tax practitioner.

As Venus is in Capricorn you will be known for your organising abilities. People look up to you for leadership and normally you would find yourselves in the forefront of affairs at home and outside alike. A job that gives you the opportunity to utilise this ability would be ideally suited for you.

Saturn's virtues are patience and persistence, fortitude and reliability. In your horoscope, it is significant to note that Saturn is in the tenth house. Some astrologers are of the opinion that this position means initial success will be followed by ultimate defeat. However, many experts feel that Saturn in tenth means you have to tackle serious challenges in professional life but if you face the problems with courage, ultimate success will be yours to keep. Your uncompromising attitude often lands you in trouble. The verse from Saravali says that when Saturn is placed in the tenth house, one is rich, learned and courageous. You may become a minister or a punishing authority. You can become a leader of group, city or village.

Saturn in Capricorn makes you ambitious, capable of taking up responsible jobs. Take extra care to see that your family life is not spoiled by your workaholic nature and insatiable desire for achievement.

Apart from the above analysis based on the planetary positions in the horoscope, some general guidance can be derived from the birth star itself. Occupations suggested for your birth star are related to the following.

Civil engineering, communications, accounts, auditing, employment exchange, news paper, teaching, priest, finger print expert, diplomat, media specialist, legal profession.

Some indications can be derived from the combination of planets in the tenth house. The characteristics of the planets combine to give special effects.

The association of Venus and Saturn in your chart ensures success if you involve in fashion or leather industry.

Jupiter aspects the tenth lord. This strengthens the good effects indicated earlier.

Income

The eleventh house mainly gives indications regarding income and sources of income.

Arun, as the 11th lord is in the 10th, you will do well in business and make a good profit. You can expect assistance

AshtakaVarga Predictions

Ashtakavarga

Ashtakavarga system is a predictive method of Indian Astrology that uses a system of points based upon planetary positions. Ashtakavarga means eightfold categorization. It depicts eightfold strength of planets excluding the nodes of the Moon but including the ascendant. It is worked out according to certain well-established rules for measuring the planetary strength. The strength of each planet and the power and intensity of their influence depends upon the location of other planets and the ascendant in relation to it. Eight full points are assigned to each planet. They can obtain strength varying from zero to 8 points which, plotted on different signs in a chart, determine the possibility of a transiting planet in inducing auspicious or other effects during its sojourn in a particular sign. Events and their timings are to a large extent determined by the positioning of particular points. Depending on their negative or positive influences the native can take remedial measures or pre-empt unpleasant possibilities, just by being aware of the likely consequences. To be forewarned is to be forearmed --- the planets are one of the best guides to help condition mans mind to the possibilities of his future.

Moon's Ashtakavarga

Arun, rare is one who is showered with the courage that radiates from moral uprightness. The moon's ashtakavarga having five Bindus in your chart will charge you with the guts to always take the moral high ground. This will give you

a clear conscience and you will be at peace with yourself.

Sun's Ashtakavarga

The presence of only two bindus in the sun's ashtakavarga indicates worry and anxiety due to the futile attempts to consolidate your gains. There could be a tendency to incur the displeasure of those in authority. Practise clarity of communication so as to avoid such situations for you. Misunderstandings could result in legal and official tangles that prevent the fruition of your ventures.

Mercury's Ashtakavarga

Lucky you to be favoured by Mercury's ashtakavarga with the presence of five Bindus. You will top the popularity charts with your warm and friendly nature. Your ability to put yourself in others shoes and understand the other persons point of view will give you an edge in establishing good relationships with all.

Venus' Ashtakavarga

You are likely to wonder at the bad vibes you end up creating, voluntarily and involuntarily, with your superiors and people in authority. Put it down to the influence exerted by the presence of three Bindus in Venus' ashtakavarga on your chart. It is hard to face up to bad luck but you may minimize creating bad luck by deliberately weighing your words and actions to avoid confrontations.

Mars' Ashtakavarga

The occurrence of three Bindus in the mars' ashtakavarga indicates a tendency to remain away from your loved ones. This may be due to career opportunities abroad or the decision to migrate to better pastures. You may not entirely relish the separation but will have to endure it.

Jupiter's Ashtakavarga

The power wielded by the five Bindus occurring in Jupiter's ashtakavarga in your chart is a great blessing. It spells success in endeavours and in overcoming challenges, and getting the better of your opponents. Overall you are born under this lucky planetary position and will enjoy the benefits of circumstances conspiring to help you succeed.

Saturn's Ashtakavarga

Relationship problems will be the thorn in your side. There are three Bindus in Saturn's ashtakavarga which point to family disharmony, unhappiness due to domestic discord and sufferings on account of children. Matters will be compounded by financial challenges. Learning prudent saving habits and money management could reduce a good amount of your burden.

Sarvashtakavarga Predictions

The proliferation of maximum bindus in your chart appears in Karkata to Tula signifying the years of youth. Your career path appears to take off to unexpected heights. Academic and personal aspirations will get a head start during this stage of life and happiness and prosperity seem to be at the peak. Destiny may never allow you to experience the worries of unemployment and academic tensions. Domestic bliss will also come seeking you.

At the age corresponding to the figures in the signs occupied by Jupiter, Venus and Mercury..your fortune turns for the better. Your educational ambitions will materialise and you could acquire that coveted seat for higher education if you

have been aspiring towards that. Your future looks set to take off on the path to wealth, recognition and fame for your professional accomplishments . Personal life will also match up giving you the ideal mate and marital togetherness will bring much joy . Your life with progeny also appears blessed. This is the stage of life that will be one of the most rewarding for you.

In your case this special periods comes in your 31, 30 and 20 years of age.

In your horoscope, the Lagna, 9th, 10th and 11th houses have only 30 or less number of bindus. This predisposes the native to be bereft of wealth. Life could be fraught with stresses and tensions leading to ill health, if not taken care of early enough. But there is nothing to be gained at blaming your fate and becoming ill tempered. Instead avoid the physical consequences of negative thoughts by taking charge of your life and overcoming obstacles.

Upagraha

Corresponding to each planet, a sub-planet (Upagraha) is calculated. The sub planets of Moon, Venus, Mars, Rahu and Ketu are based on the longitude of the Sun as follows.

Dhumadi Group of Sub-Planets

Planet	Upagraha	Method of Calculation
Mars	Dhuma	Longitude of Sun + 133 Deg. 20 Min.
Rahu	Vyatipata (Pata)	360 - Dhuma
Moon	Parivesh (Paridhi)	180 + Vyatipata (Pata)
Venus	Indrachapa (Kodanda)	360 - Parivesh (Paridhi)
Ketu	Upaketu	Indrachapa (Kodanda) + 16 Deg. 40 Min.

The sub-planets of Sun, Mercury, Jupiter, Saturn and an additional sub-planet of Mars are calculated based on the division of day or night into eight equal parts.

The first part belongs to the lord of the day, followed by the remaining lords of the week in cyclic order. The eight part is lordless. In the case of birth at night, out of the eight equal parts, the first seven are allotted to the lords of the planets starting from the 5th. weekday.

Two different methods are popularly adopted for finding the longitude. In the first method an ascendant is calculated for the beginning of the period ruled by the planet. In the second method, the end of the period is taken.

In the case of Gulika, the sub-planet of Saturn, a third method is also available to calculate the longitude of the dhumadi group of subplanets based on fixed values of rise time as given below.

Days	Birth during day	Birth during night
Sunday	26	Ghati (Nazhika) 10 Ghati (Nazhika)
Monday	22	6
Tuesday	18	2
Wednesday	14	26
Thursday	10	22
Friday	6	18
Saturday	2	14
