Moon Sign: Pisces (Meena)

Ruled by Jupiter · Moon at 28.74° Pisces

Core Nature & Personality

You are compassionate, intuitive, and spiritually attuned. Born under Meena Rashi with Jupiter as your lord, you have a profound sensitivity to the unseen dimensions of life.

Strengths & Positive Qualities

Compassion, spiritual depth, artistic ability, intuition, adaptability, and the ability to understand and heal others at a profound level.

Challenges to Watch

Escapism, over-sensitivity, lack of boundaries, difficulty with practical matters, and a tendency toward self-sacrifice to the point of self-neglect.

Career & Life Path

Spirituality, healing arts, music, film, social work, counselling, marine biology, and any field where creativity, compassion, and intuition are assets.

Relationships & Love Life

You are deeply romantic and devoted. You seek a soulmate connection. You need a grounded partner who can help you stay practical while you provide the depth and spiritual connection.

Birth Star: Revati Pada 4

Ruled by Mercury · Vedic Birth Nakshatra

Nakshatra	Revati
Meaning	The Wealthy / The Prosperous
Ruling Deity	Pushan — the god who nourishes, guides souls, and protects travellers
Lord Planet	Mercury
Pada (Quarter)	4 of 4

Personality & Nature

You are boundless, compassionate, and carry the gentleness of someone who has completed a great journey. Revati is the final Nakshatra — the completion of the cycle. You have a gift for guiding others and connecting the material and spiritual worlds.

Spiritual Remedy

Feed the poor and animals. Worship Vishnu and offer Tulsi leaves and milk. Be a guide and mentor to those who are lost. Practice compassion without attachment to outcome.

The Twelve Houses (Bhavas)

Ascendant (Lagna) in Capricorn · Individual house analysis

House 1: Lagna (Self)

The First House (Lagna) governs your physical body, personality, and how the world perceives you. It represents the beginning of all things — your approach to life, vitality, and the overall direction of your existence.

House 2: Dhana (Wealth)

The Second House (Dhana) governs accumulated wealth, family, speech, food, and early education. It represents what you hold close — your resources, values, and the quality of your voice.

House 3: Parakrama (Courage)

The Third House (Parakrama) governs courage, communication, siblings, short journeys, skills, and media. It represents your will to act and connect with the world immediately around you.

House 4: Sukha (Home)

The Fourth House (Sukha) governs home, mother, property, vehicles, education, and inner peace. It represents your roots, your comfort, and the foundation on which your life is built.

House 5: Putra (Children)

The Fifth House (Putra) governs children, creativity, intelligence, romance, speculation, and past-life merits. It represents your joy, your creations, and your ability to love.

House 6: Shatru (Health)

The Sixth House (Shatru) governs enemies, disease, debt, service, daily work, and obstacles. It represents the challenges you must overcome and the service you render.

House 7: Kalatra (Marriage)

The Seventh House (Kalatra) governs marriage, partnerships, business associates, and open enemies. It represents your complement — what you seek in others to make yourself whole.

House 8: Ayu (Longevity)

The Eighth House (Ayu) governs longevity, inheritance, transformation, hidden matters, occult, and sudden events. It represents death, rebirth, and the deepest mysteries of life.

House 9: Dharma (Fortune)

The Ninth House (Dharma) governs fortune, father, spirituality, higher education, long journeys, and divine grace. It represents your dharma and your connection to the sacred.

House 10: Karma (Career)

The Tenth House (Karma) governs career, social status, government, public life, and your contribution to society. It represents your highest calling and worldly achievement.

House 11: Labha (Gains)

The Eleventh House (Labha) governs gains, income, elder siblings, friends, social networks, and fulfilment of desires. It represents what flows to you as reward for your efforts.

House 12: Vyaya (Liberation)

The Twelfth House (Vyaya) governs expenses, losses, foreign lands, liberation, spirituality, sleep, and the subconscious. It represents what you release and what lies beyond the material.

Current Period: Sun Mahadasha

Sub-period: Ketu Antardasha

General Influence

The Sun Mahadasha brings focus on identity, authority, and the soul's true purpose. This is a period of recognition and assuming your rightful place in the world. Government dealings, career advancement, and matters involving the father figure become prominent.

Opportunities

Career advancement, gaining recognition and honour, strong leadership opportunities, improved vitality and physical health, connection with powerful or influential people.

Cautions & Remedies

Guard against ego inflation and arrogance. Health of the heart and eyes needs attention. Relationships with authority figures may be tested. Avoid conflicts with government or father.

Ketu Antardasha Influence

The Ketu Mahadasha is a deeply spiritual period that draws you inward. Detachment from material concerns increases — sometimes gradually, sometimes through sudden separations. Past-life karma surfaces for resolution. Mystical experiences are common.

Detailed Life Area Predictions

Moon in Pisces · Revati Nakshatra

Health & Vitality

Jupiter and Neptune govern your feet and lymphatic system. Foot ailments, fluid retention, and immune issues may arise. Gentle exercise, swimming, and avoiding dampness will maintain your health.

Wealth & Finance

Your wealth potential is influenced by Pisces energy and the current Sun Mahadasha period. The second house (Dhana Bhava) and eleventh house (Labha Bhava) govern your financial flow. During favorable dasha periods, investments in land, fixed assets, and businesses aligned with your ruling planet tend to yield the best results. Building consistent savings habits and avoiding speculative investments during challenging dasha periods will protect your financial foundation. Your natural financial instincts are shaped by the sign and its lord, and working in alignment with these energies creates lasting prosperity.

Education & Knowledge

The fifth house of your chart governs education and intelligence. Your Pisces Moon sign gives you specific intellectual strengths that thrive when you pursue subjects aligned with your ruling planet's domain. Consistent study habits, combined with your natural curiosity, lead to academic achievement.

Career & Profession

Spirituality, healing arts, music, film, social work, counselling, marine biology, and any field where creativity, compassion, and intuition are assets.

Marriage & Partnership

You are deeply romantic and devoted. You seek a soulmate connection. You need a grounded partner who can help you stay practical while you provide the depth and spiritual connection.

Children & Family

The fifth house from your Capricorn Lagna governs children and creativity. Depending on the strength of Jupiter and the fifth lord in your chart, you have the potential for children who bring great joy and pride. The timing of parenthood is often indicated by favorable Jupiter transits or Jupiter-related dasha periods. Your children are likely to inherit your intellectual and spiritual qualities.

Spirituality & Moksha

The Revati Nakshatra connects you to specific divine energies that support your spiritual evolution. Regular meditation, worship of your Nakshatra deity, and acts of selfless service accelerate your inner growth. The spiritual life is not separate from your daily existence — it infuses every action with deeper meaning.
